“Jonathan’s experience working for ASX listed mining companies, with a heavy involvement in project development and contractor operations, will provide an additional layer of skill and expertise as we look to bring our projects through pre-development into operations,” he said.

Jonathan is an experienced executive with more than 14 years’ experience across various aspects of the mining and infrastructure industries. Prior to holding a number of senior roles at various ASX listed mining companies, Jonathan’s background includes working with natural resources, utilities and infrastructure investment banking clients whilst at Rothschild (London) and undertaking strategy and performance improvement consulting projects across a broad range of sectors including utilities infrastructure and mining. Jonathan has particular expertise in leveraged and project finance markets.

He holds a Masters in Applied Finance from Macquarie University and a Bachelor of Laws and a Bachelor of Commerce from the University of Western Australia. He is also qualified with the Australian Institute of Company Directors and is a Fellow of the Financial Services Institute of Australia.

The Tellus Board and Managing Director thanks Mr Anton Rohner for his contribution to company.
